

IMPORTANT INFORMATION REGARDING AIG and POWERSCHOOL

To: LEA AIG Coordinators and LEA Data Coordinators

From: Sneha Shah-Coltrane, Director of Gifted Education and Advanced Programs

RE: Newly launched AIG data in Powerschool

Date: November 13, 2013

DPI is pleased to announce that the initial AIG Basic Identification page and AIG reports have been launched this week. We greatly appreciate your patience and support during this time of transition.

To access basic AIG data now that it is released, the AIG District Coordinator should identify individuals in their LEA that need for appropriate access and roles in Powerschool. Once these decisions are made, the AIG District Coordinator will work in partnership with the LEA Data Coordinator to establish the access roles in Powerschool.

Below are DPI's recommended roles and the staff that may be assigned for the AIG Program in Powerschool:

Powerschool Role	LEA Role	Access Level
AIG District Coordinator	District-based Coordinator who oversees AIG program and is responsible for AIG data at the district level	Read-Write-Edit capability for entire LEA on all fields and pages.
AIG School Lead Specialist	School-based AIG personnel, who manages the student data at the school level	Read-Write-Edit capability for school on all fields and pages.
AIG Specialist	School-based AIG personnel, when available, who works with the program but not data	Read only capability for school on all fields and pages.

Once roles are established and assigned, the AIG page and Reports will be activated and seen in Powerschool.

-For further guidance on establishing roles in Powerschool, please see the link below:

http://www.ncwise.org/Documents/school_info/PS_QRD_SecurityGroups.pdf

-For further guidance on the Powerschool AIG entry page and AIG Reports, there will a webinar on how to use the Powerschool AIG entry page and the AIG reports on this Friday, November 15 at 1:00. The registration link is: <https://www1.gotomeeting.com/register/557101288>

-If you any questions on setting up these roles, please contact the Home Base Support Center staff at homebase.incidents@its.nc.gov.

-Feel free to email Sneha Shah-Coltrane if needed as well.
